HOW TO DESTROY URW GOTHIC L DEMI?
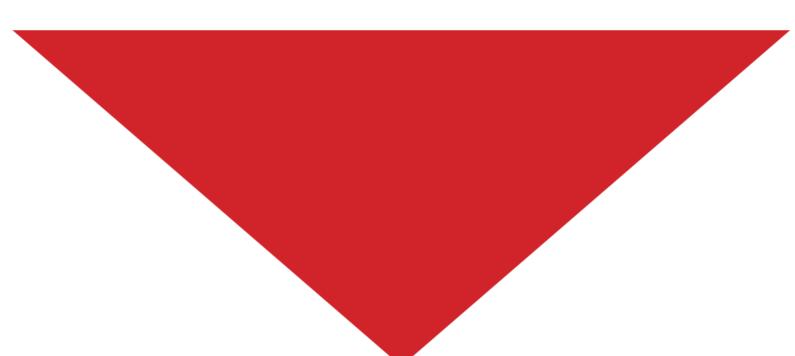

```python
from robofab.world import CurrentFont
from random import randint

font = CurrentFont()

for glyph in font:
    if len(glyph) > 1:
        for i in range(1, len(glyph)):
            for p in glyph(i).points:
                p.x += randint(-100,100)
                p.y += randint(-100,100)

font.update()
```
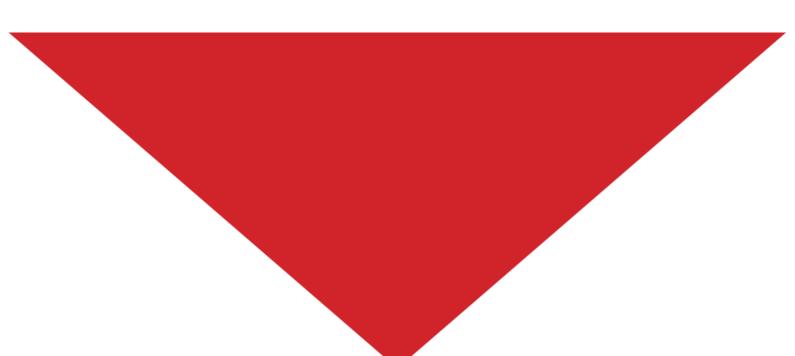

INNER DESTRUCTION COMPLETE
